

CAPABILITY STATEMENT

WE BUILD RELATIONSHIPS

We listen and we understand. As a privately owned business, we appreciate the importance of service and reliability. We treat each interaction as a unique opportunity to add value to your business and build mutually beneficial relationships.

OUR STORY *...SO FAR*

Founded by Murray Closter in 1991, we are now proudly servicing customers Australia-Wide. We value long term relationships as a measure of our success.

Helping you EXCEL

Results driven and focused, we aim to increase productivity and efficiency for our customers while lowering running costs.

Real 24/7 SERVICE

Keeping you working is our goal. We do what we say and our word is our promise.

Fast response times, preference to breakdowns and real 24/7 callouts.

Branches and Partners NATIONALLY

Your business is our priority.

Our national coverage ensures we can cater to every aspect of your compressed air needs.

We have it ALL

We hire, sell and service the world's best so that your business will perform at all times.

We also train your staff, empowering them to excel.

NATIONAL COVERAGE

With branches and partners Australia-wide, a comprehensive hire and sales fleet of compressed air equipment and an award-winning service team, Air Powered have you covered.

Having problems with your equipment?
Our team of award-winning technicians provide a full repair and service solution, from emergency repairs to routine service maintenance and spare parts.

ALL THE EXPERTISE UNDER ONE ROOF

At Air Powered, we know compressed air.
We partner with businesses who value reliability and service excellence performed by unparalleled technical experts.

CLIENT STORIES

VISY

"We partner with Air Powered because we have got a longstanding relationship with them. They are very quick to respond."

The service from Air Powered is very good. I would recommend them to anyone else that wants to use them. Definitely the follow up and response times – no second visits for the same issue which is very important to us."

Richard Assen,
National Manufacturing Manager,
Visy Industries

INSITUFORM

"With the availability of your gear, our propensity to change things on the fly, and our need to transport gear between our Melbourne and Geelong offices, Air Powered Services have been the one to provide the solutions we need. We invariably always recommend Air Powered."

George Gasparatos,
Project Manager Insituform Pacific,
Melbourne and Geelong.

PIAVE

"Piave chose to partner with Air Powered over 20 years ago, and we've found them to be very reliable and professional. The main thing Piave needs from Air Powered is good service and reliable service. I'd definitely recommend Air Powered to anyone looking to hire or buy compressors of any form."

Maurice Moffa,
Manager, Piave Port Melbourne.
